Adam and his family

Hello! My name is Adam. I am eleven years old. I am from Tunis, the capital of Tunisia. I live in a small flat near the sea with my family.

My father is a doctor. He works in a big hospital. My mother is a teacher; she teaches English in a primary school. I have one brother and one sister. My brother Yassine is fourteen and my sister Ines is six. We also have a cat. Its name is Simba and it is very lazy!

Every morning, I get up at seven o'clock. I have breakfast with my family, then I go to school by bus. My favourite subject is English because I love learning new words.

Tip for the teacher: before reading, tell the pupils to read the questions first. While reading, pause after each sentence so that everybody can follow.
