Part 1 · Reading (8 marks)

A postcard from Manchester

Hello! My name is Emma and I am twelve years old. I live in Manchester, a big city in the north of England. It rains a lot here, but I don't mind: I love my city.

My mother, Jennifer, is a journalist. She writes articles for a local newspaper. My father, David, is a bus driver; he drives a big red bus in the city centre. I have one brother, Jack, and one sister, Sophie. Jack is fifteen and he is crazy about music. Sophie is only four, so she stays at home with our grandmother.

My best friend is called Andy. He is from France, but he lives in Manchester now. He speaks French and English. At school, we sit together and we help each other.

My favourite day is Saturday. In the morning, I play tennis with my father. In the afternoon, I read comics in my room. In the evening, we watch a film and we eat pizza. What about you? What do you do on Saturdays?

England: red buses, big cities and... a lot of rain!
